# CLEAN FOR THE QUEEN

With great community spirit and encouraged by good weather over 15 residents of Borwick took part in a clean-up of the village as part of the national Clean for the Queen weekend. We were joined at this event by one of the Deputy Lieutenants of Lancashire, Mr John Davies, who helped with the clear-up. Over 2 trailer loads of rubbish were taken to the tip as paths along the canal and the roads around the village were cleared of a large variety of debris. Refreshments were kindly provided at Borwick Lodge by Mr and Mrs Peter Sharp and it was agreed that the day had been a great success and much enjoyed by all who took part.

## **BORWICK BOOK EXCHANGE**

There is a book exchange facility in St Mary's Church which is open in the daytime 10am – 3pm. If you have any books in good condition and are willing to donate them to enable the stock to be maintained and refreshed, please contact Jim Thomas on 730480. Thank you.

## **BORWICK & PRIEST HUTTON GARDENERS CLUB**

### **Tuesday, 26<sup>th</sup> April – ARRANGING THE GARDEN – Jacqueline Iddon**

Jacqueline comes from a family of horticulturalists and along with her husband Thompson, who is a wonderful sculptor, now runs a one and a half acre garden and plant business from her home at Bretherton near Preston. Jacqueline is also a well-known flower arranger. Her skill at gardening can be seen by the public in general when she opens her garden under the National Garden Scheme. Her knowledge of plants is second to none and I am sure everyone will find this an interesting and informative talk.

Meetings are held in the Memorial Hall at 7.30pm on the last Tuesday of the month. New members always welcome.

# The Queen's 90th Birthday Celebrations

The Village Hall Management Committee will be holding a party to celebrate the Queen's 90<sup>th</sup> birthday on her official birthday date - Saturday, 11th June, starting at 6.30pm.

This event will be open to all adults and children of both villages. The format of the evening will be very similar to that of the very popular Jubilee party in 2012.

**Food** - again a **Jacob's Join** supper - residents from **Priest Hutton** are asked to bring **savoury dishes** the residents from **Borwick** are asked to bring **dessert dishes**.

**Music** - this will hopefully cover music from the nine decades of the Queen's life and will in part be provided by Eric Rooney and his wonderful group of musicians.

**Dress** - come as you wish but why not enter into the spirit of the evening, choose a decade and dress accordingly - a flapper? can you still get into that mini skirt? do the drainpipes fit? or was it flares? were you a punk/mod/rocker/goth? or would you prefer something more elegant and choose to wear evening attire? (don't forget the tiara) - the choice is yours.

**Drink** - Bring your own plus glasses.

There is no charge but we will be having a raffle. Remember to put the date on your calendar.

## NEW EARLY DIAGNOSIS DEMENTIA CAMPAIGN

A new Lancashire-wide campaign has been launched to raise awareness about the early signs of dementia and encourage people to visit their GP for a memory check.

The campaign is aimed at friends and relatives who may have noticed changes in the memory or behaviour of someone they know, to help them spot the signs and start a conversation. It is being delivered by Lancashire County Council and is supported by Alzheimer's Society.

Cllr Azhar Ali, Cabinet Member for Health and Wellbeing at Lancashire County Council said:

'We all misplace things from time to time, forget names or have changes in our mood. But this campaign is about helping people notice if it is beginning to disrupt everyday life, and letting them know that the sooner they get it checked out the better.'

"It can be difficult to start a conversation with someone if you are concerned that they may be showing signs of dementia or other memory related condition. But those who get help earlier have a better quality of life for longer, so it's important that they go to their GP at the earliest sign of any problems."

Dr Sakthi Karunanithi, Director of Public Health and Wellbeing, added:

"There are currently over 10,000 people in Lancashire who have been diagnosed with dementia, but it is estimated that the actual number of people with the condition is much higher. These are people who may have dementia but are not aware of it and therefore are not getting support to help them live well with the condition."

## SWIFTS IN THE COMMUNITY

The Swifts in the Community is a project running in South Cumbria and North Lancashire which aims to survey where swifts are nesting in our towns and village. Property owners with nesting swifts are encouraged to value the presence of swifts in their building and ensure they carry on nesting there. Swifts numbers have declined dramatically in the last few decades and it is thought that the main reason is the loss of their traditional nesting sites. Swifts are totally dependent on man-made structures and generally they nest in buildings constructed before 1950. Buildings built since, due to modern building regulations, limit swifts' access to things like the eaves. Unfortunately many of the buildings they currently use undergo structural changes, modifications or modernization and this can often result in preventing swifts from nesting. Even routine maintenance involving scaffolding, if conducted during the breeding season (May to July) can cause the permanent cessation of their nesting from that location. We currently have volunteers in many locations in South Cumbria such as Arnside, Silverdale, Burton, Yealand, Warton, Carnforth, Kendal and Grange. In total there are about 40

active members in the group and we have surveyed and mapped where swifts are nesting in over 120 properties. During my regular visits to Borwick, usually passing through on my bike, I have often observed swifts and know of at least two locations where I have seen them entering the building roof space. The project would be interested in hearing from you if you have any information on where swifts are nesting in the village, and it would be especially interested if you would like to participate in the project. For more information and how to get involved, please refer to our web site – [swiftsinthecommunity-cumbria.org.uk](http://swiftsinthecommunity-cumbria.org.uk). The web site will explain a bit more about the project and the news section has details of what it would involve to become a volunteer. It also has my contact details
