BORWICK & PRIEST HUTTON GARDENERS' CLUB

TUESDAY 18th APRIL

ALAN OATWAY – TIBET, EVEREST AND ALPINES

Alan, a retired head teacher and mountaineer, has a passion for alpine plants which he studies and photographs during his many trips to the high altitude areas of the world.

He was trekking in Nepal when a huge earthquake struck in April 2015. He was lucky to get away with his life but on his return he and a group of friends started fundraising to rebuild the local school which had been destroyed. To date they have raised thousands of pounds which is helping to rebuild properties and lives in the affected area.

This will be Alan's second visit to the Club. On his previous visit members were enthralled by his presentation on Patagonia, Peaks, Plants and Penguins.

Meetings are held in the Memorial Hall at 7.30pm on the fourth Tuesday of the month. New members always welcome.

THE AFTERMATH OF STORM DESMOND

It's hard to believe that it is only 14 months ago since the devastating floods of "Storm Desmond" hit the area. It caused wide spread flooding and prolonged power cuts. Hopefully similar events will be infrequent but it would be

wise to prepare for the worst.

We are developing a **Community Emergency Plan** for Borwick and Priest Hutton which will be published in the near future. This will provide a centralised support network based at the village hall, triggered in the event of an emergency.

Meanwhile every resident can help themselves by making up a **"Home Emergency Pack"**. These items should be placed in a carton or box and stored somewhere easily accessible.

SUGGESTIONS FOR USEFUL ITEMS MIGHT INCLUDE.....

Please bear in mind that batteries have a limited storage duration and should be replaced every year or so

Torches – battery and wind up.

Battery lamps

Radio – battery or wind up.

Emergency power charger for mobile phones

First aid kit

Candles

Matches

Camping stove (perhaps)

Bottled water
